Quote

“ I know that's mean, but believe me when I tell you that if the Irish Republican Army were attempting to blow up American planes, I'd have no problem being patted down before I stepped on a plane. I would understand and appreciate the common sense behind the close look. I would not consider myself a victim but would be furious that my ethnic cousins were causing so much trouble.”

Add or change this opinion item's references

This item argues for the position United States should impose racial profiling at airports on the topic 2006 transatlantic aircraft plot.
