**Quote** “ Perhaps most importantly, such an agreement, which was achieved under the leadership of the European Union’s minister of foreign affairs between Iran and the P-5-plus-one, has the potential, if implemented and expanded into a permanent accord after six months, to bring Iran back into the family of civilized nations. ”

Add or change this opinion item's references

This item argues against the position United States should not have signed agreement on the topic Geneva interim agreement on Iranian nuclear program.
