Quote

“ We don't blame Republicans for wondering why the pipeline's approval is still in limbo, particularly now that a Nebraska court has thrown out a challenge to its routing, which had been the most recent pretext for Obama administration stalling. But the issue isn't worth wasting more legislative time or inflaming partisan tensions at the start of a new Congress. ”

Add or change this opinion item's references

This item argues for the position Pipeline should be built on the topic Keystone XL pipeline.
