Quote	 "One of the biggest - and least discussed - problems with the immigration bill now before the Senate is the sheer impossibility of implementing it. The measure would triple the workload at the U.S. Citizenship and Immigration Services - an agency that the Government Accountability Office says is already at the breaking point. It's an invitation not only to fraud, but to any terrorist group or criminal gang that's looking to insert minions into America."

Add or change this opinion item's references

This item argues against the position Act should be passed on the topic Comprehensive Immigration Reform Act of 2007.
