Quote

“ More than 700 corporate crimes have been punished and \$250 million in ill-gotten gains restored since 2002, all based on pre-Sarbox laws. We didn't need Sarbox to restore investor confidence in the marketplace. Meanwhile, new foreign issuers of stock have virtually disappeared from the American marketplace, as companies seek out friendlier regulatory environments, such as London.”

Add or change this opinion item's references

This item argues for the position Act should be repealed on the topic Sarbanes-Oxley Act.
