Quote

“ Al Gore, if he had won Florida, would have captured 8 of the 10 largest states and won the election by appealing mostly to urban and coastal constituencies. George Bush demonstrated broader support in the electoral college appealing to states in the north, south, east, and west. Bush, even though narrowly losing the popular vote, proved himself a much more national candidate.”

Add or change this opinion item's references

This item argues against the position Compact should be passed on the topic National Popular Vote Interstate Compact.

This item refers to the previous opinion item Trash the 'Compact'.
