Quote

“ Some decry the Buy American effort as the start of a trade war. They say it's just disguised protectionism. That is thoughtless nonsense. It's nothing of the sort. It is entirely within international trade rules to require that these kinds of public projects use American-made inputs.”

Add or change this opinion item's references

This item argues against the position Act's "Buy American" provisions should be removed on the topic American Recovery and Reinvestment Act of 2009.
