Quote

“ The court’s decision was issued a day after the conservative majority struck down a New York law limiting the right to carry guns in public. The message is clear: The right to own and carry deadly weapons is more important to uphold than the rights of women to make their own decisions on whether to carry a pregnancy to term. ”

Add or change this opinion item's references

This item argues against the position Supreme Court was correct in its ruling on the topic Dobbs v. Jackson Women's Health Organization.
