Quote

“ "After nearly four years of occupation, Iraqis have made up their minds they do not want to live together. The intention of the Shi'a is to establish an Islamic republic that either excludes or subjugates Sunni Arabs and Sunni Kurds. The Sunni Arabs, who make up about 20% of Iraq's population, know they've lost and their only option is to retreat into the desert and create their own country. The Kurds, for their part, already have their own country."
