Template:Author

The printable version is no longer supported and may have rendering errors. Please update your browser bookmarks and please use the default browser print function instead.

This template holds information on an author of opinion items; it should be called with the following structure:

```
{Author
| | first name=The author's first name; used for sorting
| | last name=The author's last name; used for sorting
| | political affiliation=Liberal, Conservative, etc. (This is a very subjective field)
| }}
```

This template defines the table "Authors". View table.
