## **Template:Item**

The printable version is no longer supported and may have rendering errors. Please update your browser bookmarks and please use the default browser print function instead.

This template holds information on an opinion item (a column, op-ed, blog post, etc.). It should be called in the following format:

{{Item
| author=The author or authors of the item; if there is more than one, their names should be separated
with commas
| source=The publication in which it was printed/posted
| date=The date of publication
| url=A URL at which it can be found, if one exists
| quote=A one-to-four-sentence quote from the item, that captures the spirit of the opinion it holds
}}

This template defines the table "Items". View table.
