Quote

“ One cannot judge the full consequences of health care reform. What can be judged is the manner by which Democrats have governed over the last year. They have been partisan and ideological, derisive and dismissive. They try to legislate massive changes to American society and the American economy by the tiniest of margins and the most arcane of methods.”

Add or change this opinion item's references

This item argues against the position Act should be passed on the topic Patient Protection and Affordable Care Act.
