Quote

“ "We need to cut through the confusion. Bringing security to Baghdad -- the essential precondition for political compromise, national reconciliation and economic development -- is possible only with a surge of at least 30,000 combat troops lasting 18 months or so. Any other option is likely to fail." **”**

Add or change this opinion item's references

This item argues for the position United States should increase troop levels on the topic Post-invasion Iraq.
