Quote

“ The Shiites might like a united Iraq if they controlled it -- which they could if those elections Mr. Bush keeps promising ever occur. But the Kurds and Sunnis are unlikely to accept Shiite control, no matter how democratically achieved. The Kurds have the least interest in any strong central authority, which has never been good for them. A strategy of breaking up Iraq and moving toward a three-state solution would build on these realities.”

Add or change this opinion item's references

This item argues for the position Iraq should be split up on the topic Post-invasion Iraq.
