Quote

“ I find it near unbelievable that anyone can propose sending foreign troops back into Lebanon, as in 1958, 1976, 1978 and 1982. [...] The only settlements in the region have been a result of wars, whether with Jordan, Syria or Egypt. It is local people, the resolution of force on the ground, that will alone resolve the latest conflagration.”

Add or change this opinion item's references

This item argues against the position United Nations should disarm Hezbollah on the topic 2006 Israel-Lebanon conflict.
