Quote

“ The underlying fight is thus over social insurance approaches that have been part of the fabric of American life since the progressive era and the New Deal. If opponents of the ACA can discredit it, they can move on to demonize other necessary public programs — and undercut arguments for further government efforts to ease inequalities and injustices. ”

Add or change this opinion item's references

This item argues against the position Act should not have been passed on the topic Patient Protection and Affordable Care Act.
