Quote

“As I have stated in the past, as long as U.S. military forces remain in Iraq, the Iraqis will allow our men and women to bear the brunt of all security actions and our forces will be targets. The Iraqi government, security forces and military have to be put on notice that we will redeploy our forces and that they will be responsible for their own country.”

Error in "where" parameter: the string "--" cannot be used within #cargo_query.
