Quote

“ It is absurd for judges to shelter Afghan terrorists who hijack an aircraft at gunpoint. It is scandalous that a dangerous rapist is freed from prison to kill because his human rights had been infringed. But it is also ridiculous for Tony Blair to attack these decisions as an “abuse of common sense”. Stupid as the rulings may be, judges are simply doing what they are told.”

”

Add or change this opinion item's references

This item argues for the position Act should be repealed on the topic Human Rights Act 1998.
