Quote

“ "When Samuel Alito was a justice-wannabe seeking to replace O'Connor, he reassured lawmakers he'd respect precedent on abortion. When John Roberts talked about his reverence for both precedence and the court, he said he got a "lump in my throat whenever I walked up those marble steps." That lump in his throat is now a chill up my spine."

”

Add or change this opinion item's references

This item argues against the position Supreme Court was correct in its ruling on the topic *Gonzales v. Carhart*.
