Quote

“ Contrary to what the Obama team is arguing, a loss for the president here will be a win for average Americans. Republican lawmakers are getting set to drive a stake into the law’s worst features, the job-killing employer mandate and the expensive “Washington knows best” coverage mandate. In ObamaCare’s place, we’d have a system that lets people buy the health plans they want and work the hours they want. ”

Add or change this opinion item's references

This item argues for the position Act should not have been passed on the topic Patient Protection and Affordable Care Act.
