Quote

“ International condemnation has minimized the use of chemical weapons since World War I, and any breach of that dam now invites a flood. Such a scenario would be particularly horrific to Israel, where the use of chemical weapons by a hostile neighbor presents a fundamental existential threat, but nations such as Jordan, Turkey and Lebanon also would not rest easy. ”

Add or change this opinion item's references

This item argues for the position United States should intervene on the topic Syrian civil war.
