Quote

“ It's easy to see why the admirable Barack Obama has won so many hearts this year. He's as smooth and charismatic as his opponent is raw and irascible. But voters aren't electing a debater-in-chief. They should keep their heads - and their eyes - focused on the record. Mr. McCain has shown the bipartisan leadership Americans want. For example, the Republican maverick has worked with Democrats on campaign finance laws, immigration reform and climate change.”
