Quote

“ Biden is a proven legislative dealmaker. Rather than question the patriotism and faith of those on the other side, he has throughout his career treated would-be foes as humans with different perspectives. His steady record of bipartisan accomplishment can be seen in the stimulus bill that pulled America out of the Great Recession; in tough but honest negotiations with Sen. Mitch McConnell on taxes and debt; in crafting the Violence Against Women Act and supporting welfare reform and backing strong counterterrorism tools. ”
