Quote

“ It's defensible in theory for the well-off to pay more to prop up the less-well-off, but it would have been cheaper, I'd bet, for taxpayers to just buy basic health care for those who have none. But that, of course, would deny Obama his goal of having the government control everyone's health care with a ridiculous list of mandates. ”

Add or change this opinion item's references

This item argues for the position Act should not have been passed on the topic Patient Protection and Affordable Care Act.
